"The Secret of Change is to focus all of your energy, not on fighting the old, but on building the new" --Socrates

### **Carlos F. Concepción & Ricardo H. Puente Join Jones Day as Partners in the Global Disputes Practice Group**

I am honored to announce that, effective June 1st 2015, I will become a Partner at Jones Day. Ricardo H. Puente will join me also as Partner at Jones Day. I will be based in Miami, and will form part of the Jones Day Global Disputes Practice Group. Ricardo and I will continue to focus on International Arbitration and International Litigation with an emphasis on Latin America and the Caribbean.

As many of you know, I have been the Managing Partner of Concepcion Martínez & Puente for almost two decades. During this time, I have seen our Profession undergo transformational changes. I now embrace this unique opportunity at Jones Day with a renewed commitment to build upon the successes of the past but with a clear focus on the future.

I encourage all of you to learn more about Jones Day by visiting their web site at [www.jonesday.com](http://www.jonesday.com). For now, you can continue to reach me at [cconcepcion@cfclaw.com](mailto:cconcepcion@cfclaw.com) and at 305-444-6669. Finally, to all of you who are also contemplating the inevitability of change, I leave you with the words of Charles Kettering, "If you have always done it that way, it is probably wrong".
